Your money and belongings

How we look after them at The Shrubbery

We help people stay in charge of their **own money** for as long as they can.

Keeping things safe

Every room has a **lockable space**. Money and valuables can also go in the home's **safe**. Only the manager has the key.

Each person's money is kept **separately**. Every amount in or out is written down and **signed by two people**.

Please tell staff about **valuables, money or new clothes** you bring in. We record them and label clothes.

If someone needs help

If a person cannot manage their money, we follow the law and make **best interests** decisions with the family.

If someone has a **Lasting Power of Attorney** for money, please give us a copy.

You can ask to **see the records** at any time. Just ask the manager.
